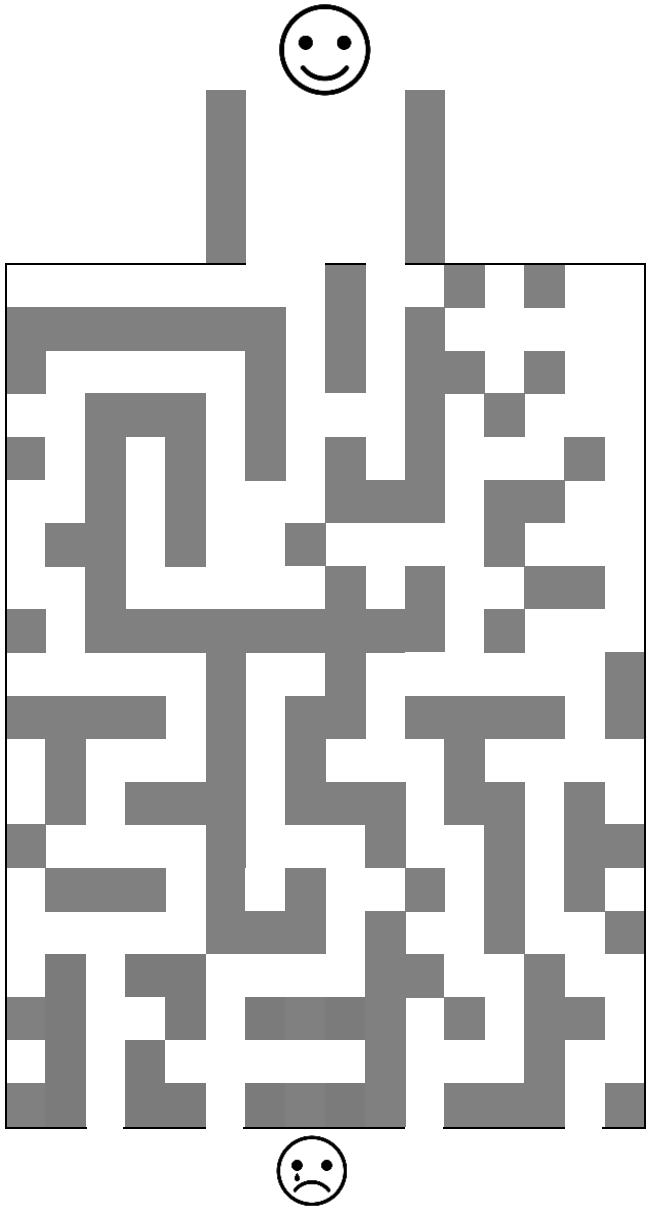
Can you help Joseph find a way out of the well?



How do you feel?

Joseph was lonely, his brothers were angry and his dad was sad. How do you feel today?

When I'm angry I look like this:
I was angry when …

When I'm sad I look like this:
I was sad when …

When I am happy I look like this:
I was happy when …

God loves you and cares how you feel, why not pray and tell him and he will help you.
